- ABDELNOOR A see NAJJAR S S et al  
ACKER K J VAN see VAN ACKER K J  
ADAMI S see ALLGROVE J et al  
ADAMS J see STANHOPE R et al  
ADCOCK M Changing patterns of substitute care: annotation 6  
ADDISON G M see DAVIES A G et al  
ADHIKARI M, COOVADIA H M, GAFFIN S L, BROCK-UTNE J G, MARIVATE M and PUDIFIN D J Septicemic low birth-weight neonates treated with human antibodies to endotoxin. short report 382; correspondence reply 689  
AEBISCHER P see SCHORDERET D and AEBISCHER P  
AL-RUBEI K see BEDDALL A C et al  
ALBANI M see BENTELE K H P et al  
ALBERMAN E, BENSON J and KANI W Disabilities in survivors of low birthweight 913  
see also EVANS P et al  
ALEXANDER F W see LAWSON G R et al  
ALLEN F see STOCKS R J et al  
ALLGROVE J, ADAMI S, MANNING R M and O'RIORDAN J L H Cytochemical bioassay of parathyroid hormone in maternal and cord blood 110  
AMBLER R, GRUENEWALD S and JOHN E Ultrasound monitoring of diaphragm activity in bilateral diaphragmatic paralysis: short report 170  
AMIR J see REISNER S H et al  
ANDERSON D R see DEVERALL P B et al  
ANDREWS F F Sleeplessness in an infant: one hundred years ago 924  
ANSELL B M see PALMER R G et al  
APARICIO S R see MILLER P F W et al  
APPENDINO C see DE MARTINO M et al  
ARCHER L N J, O'MALLEY B P and SWIFT P G F Congenital hypothyroidism with hereditary, raised thyroxine binding globulin: short report 766  
and SIMPSON H Night cough counts and diary card scores in asthma: short report 473  
ARMIGLIATO M see CADROBBI P et al  
ARTHUR J see BEVERLEY D W et al  
ARYA D P see EWING C I et al  
ASHKENAZI S, METZKER A, MERLOP P, OVADIA J and REISNER S H Scalp changes after fetal monitoring: short report 267  
ASTBURY J see CATTO-SMITH A G et al  
ATTENBURROW A A Modification of the  $\alpha_1$ -antitrypsin phenotype in neonatal hepatitis: short report 378  
and BARKER C M Chlamydial pneumonia in the low birthweight neonate 1169  
AUCHTERLONIE I A and BENJAMIN B Neck radiographs in croup syndrome: correspondence 288  
see also MALCOLM J B et al  
AVIDAN S see BEER S et al  
AWAZU M, SHIMIZU M, HOJO H, OSANO M and KOHDA E Percutaneous transluminal angioplasty for renovascular hypertension 627; correspondence reply 1105  
BAERTS W and MERADJI M Cranial ultrasound in preterm infants: long term follow up 702  
BAFAKEER S see SINGH B et al  
BAILEY C M see HENDRICKSE W A et al  
BAJUK B see CATTO-SMITH A G et al  
BALFE J W see WATSON A R and BALFE J W  
BALFOUR-LYNN I Childhood asthma and puberty 231  
BALL P A, CANDY D C A, PUNTIS J W L and MCNEISH A S Portable bedside microcomputer system for management of parenteral nutrition in all age groups 435  
BANGASH H see WHITE M P et al  
BARAITSER M The genetics of non-dysmorphic mental retardation 1099 P  
BARKER C M see ATTENBURROW A A and BARKER C M  
BARLEY J see WHEELER K A H et al  
BARNES N D Screening for congenital hypothyroidism: the first decade: current topic 587  
CALNE R Y, FARMAN J V, JAMESON N V, LINDOP M J, MOWAT A P, PARK G R, PETT S, ROLLES K, TIZARD E J and WILLIAMS R S Liver transplantation in children 1097 P

## Subject index Volume 60, 1985

- Absence, school, and headache, 245  
Accidents, BMX and others compared, 461  
  deaths in children less than 16 years old, two health districts, 525  
Acid base balance, blood and cerebrospinal fluid: short report, 579  
Addison's disease, clinical presentation, growth, and pubertal development, 925  
Adenine arabinoside, for treatment of respiratory papillomatosis: short report, 374  
Adenovirus type 7 pneumonia, abnormal pulmonary function after, factors predisposing: correspondence, 82  
Adoption, changing patterns: annotation, 6  
Aerosol, metered, and nebulised fenoterol compared: short report, 257  
Aganglionosis, total intestinal, and Waardenburg's syndrome: correspondence, 85  
Air leak and barotrauma, in hyaline membrane disease, lack of association, 555  
Albumin to creatinine ratio-response to exercise, in diabetes, 305  
Alcohol  
  and the fetus: correspondence, 394  
  intoxication, underdiagnosed problem: short report, 762  
  in utero, variable amounts, study of children, 316  
Aldosterone, role in late hyponatraemia: correspondence, 189  
Allergic disease, development of IgE and IgG antibodies to food and inhalant allergens, 727  
Alpha-antitrypsin  
  phenotype, modification in neonatal hepatitis: short report, 378  
  serum, reference ranges: short report, 261  
Alveolar hypoventilation, treated with medroxyprogesterone, 150  
Amnophylline, rectal, in management of apnoea of prematurity, 38  
Amniotic bands, in connective tissue disorders, 1061  
Anaemia  
  aplastic, severe: annotation, 295  
  early, of premature infants, haemoglobin level of immature babies in first half-year of life and effect during first three months of blood injections and iron therapy: fifty years ago, 125  
Fanconi's: annotation, 295  
  preterm infants, and cows' milk: short report, 69  
Angioplasty, percutaneous transluminal *see* Percutaneous transluminal angioplasty  
**ANNOTATIONS**  
  Aetiology of idiopathic spinal deformities, 508  
  Bonding babies, 293  
  Changing pattern of substitute care, 6  
  Choice of electroencephalographic investigation, 3  
  Chorion villus biopsy, 897  
  *Cryptosporidium* and diarrhoea, 608  
  Eliminating neonatal tetanus—an attainable goal, 401  
  Family therapy, 297  
  Growth hormone releasing hormone, 405  
  Heart valve replacement, 1111  
  Histiocytosis X—current controversies, 605  
  Infanticide, filicide, and cot death, 505  
  Maternal autoimmune disease and the fetus, 794  
  Monoclonal antibodies in diagnosis and treatment, 96  
  Outcome for children subject to non-accidental injury, 191  
  Problems facing women who seek a career in paediatrics, 900  
  Psychological management of overdose in young people, 791  
  Risks and benefits of intensive treatment of acute leukaemia, 193  
  Second primary tumours, 695  
  Seizures and steroids, 94  
  Severe aplastic anaemia, 295  
  Spina bifida: do we have the right policies? 403  
  'The State of the World's Children', 693  
  What is asthma? 997  
  Anorexia nervosa, childhood onset, 1100 P  
  Antitrypsin, alpha<sub>1</sub>, serum, reference ranges: short report, 261  
  Aplastic anaemia, severe: annotation, 295  
  Apnoea  
    duration and type, and neurological status of preterm infants, relation between, 953  
    monitors, sudden infant death: special report, 76: correspondence, 497, 688  
    and weighing scales compared, for siblings after cot death, 1055  
    of prematurity, rectal aminophylline in management, 38  
  Appendicitis,  
    acute, and rectal examination: short report, 666: correspondence, 891, 993  
  Arginine vasopressin plasma, serial measurement in newborn, 1031  
  Arrhythmias, cardiac, misdiagnosed as epilepsy: short report, 54  
  Arterial  
    oxygen and carbon dioxide tensions, estimation by single transcutaneous sensor, 356  
    intensive care monitoring, 1158  
    tension, underestimation, in infants, 1162  
  Asians,  
    high incidence of minimal change nephrotic syndrome, 1018  
    and steroid responsive nephrotic syndrome, 1014  
  Asphyxia,  
    perinatal, and myoglobinuria, effects on development of acute, neonatal renal failure, 908  
    severe birth, raised intracranial pressure after, medical management, 12  
  Asphyxiated newborn, continuous measurement of subarachnoid pressure: correspondence, 396  
  Associate Editor, Dr Malcolm Chiswick, 511

- Asthma,  
acute severe, hypoxaemia during, pathophysiological analysis, 640  
admission to hospital, 636  
childhood, and puberty, 231  
diagnosing and defining: annotation, 997  
food related, difference between two ethnic groups, 861  
hospital admission rates, international trends: short report, 376  
night cough counts and diary card scores: short report, 473  
nocturnal, and sustained release theophylline: correspondence, 397  
thirty deaths, 25  
treatment in preschool children, with slow release theophylline: short report, 770
- Atopic eczema,  
elimination diets: correspondence, 183  
and herpes simplex infections, 338  
and infant feeding, 722
- Atrial flutter, fetal, and congestive heart failure, successful treatment: short report, 158
- Auditory  
brainstem response, neonatal, diagnosing brainstem death, 17: correspondence, 396, 992  
response cradle testing, parental reaction: correspondence, 83
- Autoimmune disease, maternal, and the fetus: annotation, 794
- Autolet device in estimating bleeding time in the newborn, 51
- B cell function, stimulated by human milk, 610
- Bag and mask resuscitation at birth, effectiveness, 1103 P
- Barotrauma and air leak, in hyaline membrane disease, lack of association, 555
- Behavioural deviance and depressive symptoms, maternal, in paediatric outpatients, 560
- Bezafibrate, in familial hypercholesterolaemia, double blind trial, 34
- Biliary atresia, extrahepatic, with good postoperative bile drainage, short term histological liver changes, 739
- Biotinidase deficiency, presymptomatic treatment: short report, 574
- Birth size in Indian ethnic subgroups born in Britain: short report, 868
- Birthweight, between 14 and 42 weeks' gestation, 440: correspondence, 783
- low, and chlamydial pneumonia, 1169  
disabilities in survivors, 913  
extremely, infants, referral and outcome, 1101 P  
with septicaemia, treatment with human antibodies to endotoxin: short report, 382: correspondence, 689
- very low, preterm infant, copper deficiency in, 644  
feeding, growth, and biochemical studies, 215  
haemoglobin and protein intake, 99  
preterm, copper deficiency in, 644  
effects of incubator temperature control, 902
- Bleeding time, newborn, micromethod, 51
- Blood,  
acid base balance, in gastroenteritis, dehydration and metabolic acidosis: short report, 579  
maternal, and cord blood, cytochemical bioassay of parathyroid hormone, 110  
pressures of children, and hypertension during pregnancy, 631
- BMX and ordinary bicycle accidents compared, 461
- Bonding babies: annotation, 293
- Bone marrow transplantation, correcting thirty eight different metabolic errors (previously fatal), 1097 P

- Brain,  
neonatal, echo dense lesions, structure and evolution, 798, 1202  
revascularisation, in hypertension, 1177
- Brainstem  
auditory evoked potentials, for identification of sensory neural hearing loss in very preterm infants, 105  
death, neonatal auditory brainstem response as diagnosis, 17: correspondence, 396, 992
- Breast feeding  
and atopic eczema, 722  
by hepatitis B surface antigen positive mothers: short report, 972  
lactation nurse increasing duration: short report, 772  
and oral contraceptives, haematological effects on infant: short report, 971  
milk nutrients, loss during tube feeding: short report, 164
- Bronchial  
asthma, serum antibodies to *Legionella* agents, 225  
intubation, selective, for pulmonary emphysema: correspondence, 83
- Bronchiectasis, atelectatic or compensatory: fifty years ago, 277
- Bronchiolitis,  
acute, and chest physiotherapy: short report, 1078  
viral, acute, continuing respiratory problems three and a half years after, 1064
- Campylobacter enteritis, and bloody stools in the neonate: short report, 480: correspondence, 785
- Cancer care, terminal, training, 292
- Candida* spp., and use of dummies: short report, 381
- Candidiasis, neonatal systemic, 365
- Carbon dioxide  
and oxygen, transcutaneous, intensive care monitoring, 1158  
tensions, estimation by single transcutaneous sensor, 356
- Carcinoid syndrome, unusual cause of diarrhoea: short report, 269
- Cardiac surgery, ischaemic spinal cord injury following, 517
- Care,  
children in, 790  
substitute, changing patterns: annotation, 6

- Screening for thalassaemia, Mediterranean experience, 1100 P
- Scurvy, infantile, 90th birthday tribute to Sir Thomas Barlow: fifty years ago, 828
- Second primary tumours: annotation, 695
- Seizure activity, and prolactin, 848
- early, and quality of perinatal care, 809
- febrile, first, recurrence risk and effect of short term diazepam prophylaxis, 1045
- duration of admission: short report, 1182
- reflex anoxic: correspondence, 288
- and steroids: annotation, 94: correspondence, 397

- Self poisoning, psychological management: annotation, 791
- Sensor, transcutaneous, for estimation of arterial oxygen and carbon dioxide tensions, 356
- Sensory neural hearing loss, very preterm infants, identification by brainstem auditory evoked potentials, 105
- Septicaemia, in low birthweight neonates, treatment with human antibodies to endotoxin: short report, 382; correspondence, 689  
neonatal, 410 proved cases, 542
- Sexual abuse, therapeutic approach: correspondence, 286  
maturation disorders, use of ovarian ultrasound to assess gonadotrophin secretion, 1103 *P*  
precocity, transient, and ovarian cysts, 819  
*see also* Puberty
- Shredding of manuscripts, 659
- Size at birth, in Indian ethnic subgroups born in Britain: short report, 868
- Skinfold thickness, neonatal, measurement and interpretation at or near term, 840
- Sleep apnoea profile, in preterm infants recovering from respiratory distress syndrome, 547  
*see also* apnoea
- Sleeplessness in an infant: one hundred years ago, 924
- Small bowel biopsy: personal practice, 1082
- Small for gestation infants, high energy feeding, 42
- Sodium cromoglycate, nebulised, in recurrently wheezy preschool children, 736
- Special care baby unit, prevention of spread of echovirus 6: short report, 674; correspondence, 1205
- Special care unit, babies discharged from, pattern of illness: short report, 1068  
*see also* Intensive care
- Spina bifida,  
do we have the right policies: annotation, 403  
severe handicap in, no bar to intermittent self catheterisation: short report, 760  
a vanishing nightmare?: current topic, 1086  
*see also* Neural tube defects
- Spinal cord, injury, ischaemic, after cardiac surgery, 517  
tumour, epidermoid, after lumbar puncture: short report, 978
- deformities, idiopathic, aetiology: annotation, 508  
muscular atrophy, causing diaphragmatic paralysis, 145: correspondence, 495
- State of the World's Children* 1985 (UNICEF), review: annotation, 693
- Steroid(s)  
resistant patients, and prognosis and treatment of polymyositis, 236  
responsive nephrotic syndrome, more common in Asians, 1014  
and seizures: annotation, 94; correspondence, 397
- sulphatase deficiency, placenta: correspondence, 595
- Sub-aortic stenosis, discrete, and ventricular septal defect, 196
- Subarachnoid pressure, continuous measurement in severely asphyxiated newborn: correspondence, 396
- Subcortical cystic leucomalacia, diagnosis and outcome, 1041
- Subependymal cysts, in normal neonates: short report, 1072
- Substitute care, changing patterns: annotation, 6
- Sudden infant death syndrome, apnoea monitors: special report, 76; correspondence, 497, 688  
definition, confusion and aetiology: short report, 156
- diaphragmatic paralysis due to spinal muscular atrophy, 145  
in history and literature 278
- infanticide and filicide: annotation, 505
- pressure volume characteristics of lungs: short report, 471
- pressure volume characteristics of lungs: correspondence, 1104
- and respiratory distress syndrome, in preterm infants, 547
- siblings after, apnoea monitors and weighing scales compared, 1055
- Sugar intolerance complicating acute gastroenteritis: personal practice, 986
- Syncope, pallid: correspondence, 399
- SYNDROC: microcomputer based differential diagnosis of malformation patterns, 248
- Synovitis, acute transient, interferon system in, 959
- Syphilis, early congenital, report on seven cases, 1128
- Systemic lupus erythematosus, maternal, and the fetus: annotation, 795
- Tanner growth charts, at school entry: short report, 1188
- Temperature,  
body, maintenance, new insulating material, 47  
optimal, for incubators, equating: correspondence, 188
- Teratogenesis, and functional palatal incompetence: correspondence, 185
- Testis, incomplete descent, and luteinising hormone releasing hormone, 568
- Tetanus, neonatal, elimination, an attainable goal: annotation, 401
- Thalassæmia, mass screening for, Mediterranean experience, 1100 *P*
- Thelarche, premature, follow up study of 40 girls: short report, 1180
- Theophylline concentrations, saliva for monitoring, re-evaluation: short report, 66  
slow release, for treatment of asthma in preschool children: short report, 770  
sustained release, in nocturnal asthma: correspondence, 397
- Third World, poverty and human development: current topic, 880
- Thrombectomy and nephrectomy, in treatment of neonatal inferior vena cava and renal venous thrombosis: short report, 1076
- Thrombocytopenia, immune, maternal, and the fetus: annotation, 794  
neonatal isoimmune, and intravenous immunoglobulin: short report, 667
- Thrush, and use of dummies: short report, 381

- Thyroid**  
 dysfunction, in Down's syndrome, 1149  
 function, neonatal, influence of perinatal factors, 141  
**Thyroxine binding globulin, raised, hereditary, and congenital hypothyroidism:** short report, 766  
**Tolazoline, and duodenal perforation:** short report, 878  
**Toxic shock syndrome, six patients, 563:** correspondence, 892  
**Transcutaneous**  
 oxygen and carbon dioxide, intensive care monitoring, 1158  
**Transcutaneous sensor, for estimation of arterial oxygen and carbon dioxide tensions, 356**  
 underestimation, 1162  
**Translocation trisomy, 17/7, report of 5 year old girl, 748**  
**Trimethoprim, single dose pharmacokinetics, 29**  
**Tube feeding, loss of breast milk nutrients during:** short report, 164  
**Tubular dysfunction, in type I diabetes mellitus, 929**  
**Tumours, second primary:** annotation, 695  
**Turner syndrome in girls, growth curve, 932**  
**Twins,**  
 malformations, vascular basis: short report, 166  
 monozygotic, Wiedemann-Beckwith syndrome in one: short report, 1191  
**Tyrosinaemia, congenital, coagulation defect:** correspondence: 188, 498  
**Ultrasound,**  
 cranial, preterm infants, long term follow up, 702  
 dense lesions, in neonatal brain, structure and evolution, 798  
 and diagnosis of Wilms' tumour: correspondence, 186  
 monitoring, diaphragm activity in bilateral diaphragmatic paralysis: short report, 170  
 not detecting raised intracranial pressure: short report, 581  
 in premenarchal girls, and idiopathic precocious puberty, and hypogonadotrophic hypogonadism, 116  
 and puberty and sex hormone concentrations, 120  
 and prenatal diagnosis of dwarfism: short report, 1070  
 in urological diagnosis in utero: correspondence, 398  
**Understanding of illness, changes as child grows:** current topic, 489; correspondence, 786  
**Urinary**  
 ascites, neonatal: short report, 676  
 constituents and output, measurement using disposable napkins, 1021  
**Urological diagnosis in utero, ultrasound:** correspondence, 398  
**Urticaria, papular:** fifty years ago, 332  
**Vascular basis for malformations, twins:** short report, 166  
**Vena cava, neonatal inferior, and renal venous thrombosis, treated by thrombectomy and nephrectomy:** short report, 1076  
**Ventilation rates, high and conventional, in the newborn:** correspondence, 395  
**Ventilator settings, manipulation to prevent active expiration against positive pressure inflation, 1036**  
**Ventricular**  
 dilatation, post haemorrhagic, cerebrospinal fluid pressure during, newborn infants, 920  
 septal defect, and discrete sub-aortic stenosis, 196  
 natural history, long term prospective study, 1097 P  
**Very low birthweight** see Birthweight
